Kid's Prayer Grid

Draw or write something for each box
and then pray about each one!

(Older kids can use the prompts at the bottom.)

WOW GOD!

Something God has created.
Something about God's character.

THANK YOU

Something God has given you or someone else.
Something God has done for you or someone else.

SORRY

How you haven't loved or trusted God.
How you have treated other people badly.

PLEASE

How you would like God to provide for you.
How you would like God to provide for someone else.
